

Huron River at White Lake Road Site Map

Parking location approximate Lat & Long: 42.6929, -83.4982

Park in the gravel lot east of the river crossing. There is a small trail that begins at the back of the parking lot – it will be marked with flagging tape when you get there. Follow the flagging tape through the woods until you hit the river. This is the END of the assessment. Walk up the river to the start of the assessment and assess downstream back to the trail. (You can try to walk along the bank, but the brush is very thick along this stretch).

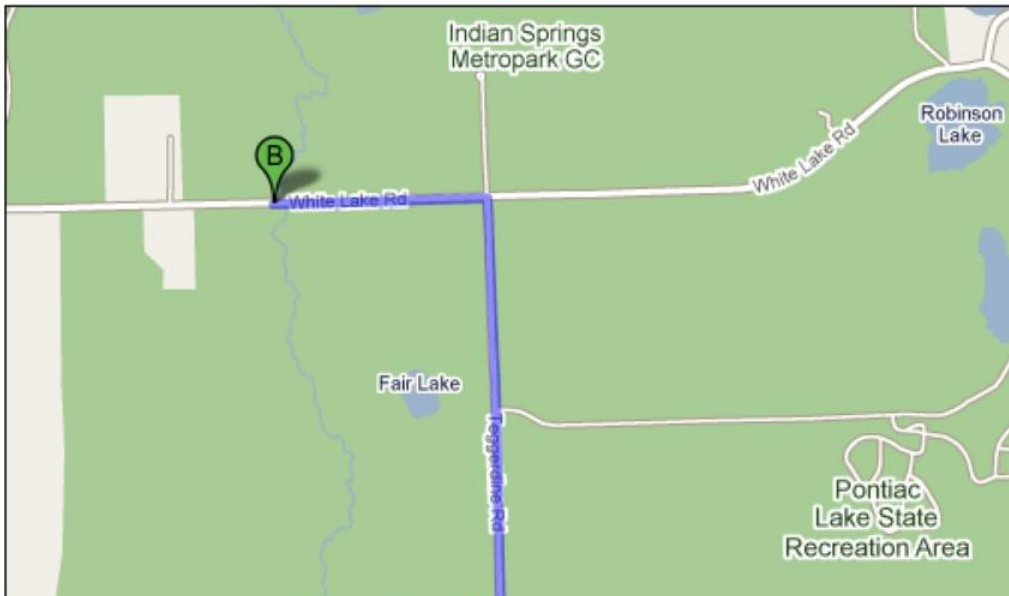

Protecting the river since 1965

Huron River at White Lake Road
