15. We have permission from at 17050 Martinsville Road to access the stream from their property and to park along side their driveway. Knock on their door and tell them you are there from HRWC and make sure your parking is okay.

From there, walk south, then southwest (to avoid a pond) to the stream. The sampling site starts on the west side of Martinsville Rd, and runs from about 15ft west of the culverts to about 150 ft upstream (going west).

Do NOT park on Martinsville Rd and try to get across the ditch on the west side of the road to access the site- you will encounter deep mud.
