

Suds for the River Sponsorship

Suds is HRWC's premier annual fundraising event. It brings together people who share a passion and a vision for the health of the Huron River.

This year, we won't be together on banks of the Huron, but Suds ticket buyers will embark on a self-led tour along the river and will be invited to support restaurants and breweries that have supported Suds over the years.

As a Suds sponsor, your company will still enjoy prominent recognition as we will promote the event to an even larger audience of nearly 10,000 people in communities along the river from Milford to Flat Rock.

Suds for the River ticket buyers will receive a passport good for discounts at participating eateries and brewpubs. Passport holders will be encouraged to visit restaurants and breweries between September 10th and October 31st. When participants return their stamped passport to HRWC, they will be eligible to win awesome prizes, like paddling trips, gear, restaurant gift cards, and more.

We appreciate your continued support of HRWC and our mission to bring clean water to everyone, especially in this difficult time!

	GUPPY \$500	BASS \$1,000	TROUT \$2,000	WALLEYE \$4,000+
